Leaf and Limb Chipping Operations Updates

Due to COVID-19, the city implemented a limited leaf and limb operations schedule this spring. Since March 13th, limb chipping operations took place the first week of each month. On August 3rd, chipping operations were increased to pick up every other week. For the months of September and October, chipping will take place during the weeks of **September 14th, September 28th, October 12th, and October 26th.**

Some reminders for limb chipping operations:

Limbs should be stacked neatly at the curb or edge of pavement in right-of-way before 7:00 am Monday morning for Monday through Friday pick-up.

- No more than one pile per household.
- The pile should be no longer than 6 feet in length, 4 feet in height, and 4 feet in width.
- No trash, dirt, or stumps will be picked up. These items cannot be processed through the chipper.
- No limbs cut by a tree service or landscape company will be picked up. They must be removed by the company.

Bagged yard debris collection continues on the day before your regular garbage pick-up day.

Some reminders for bagged debris collections:

- Paper lawn bags and trash bags are accepted; Sugar Hill pre-printed bags are not required.
- Bags should not exceed 50 pounds in weight.
- Do not place trash, dirt, sand, gravel, or stumps in bags.

NOTE: Any change to operations will be communicated to the public via social media channels, email notification, and on the city website.

Sugar Rush Car Show

The Sugar Hill Business Alliance will host a car show on Saturday, October 17th from 10:00 am until 4:00 pm in the heart of downtown Sugar Hill. Cost to enter a vehicle is \$25 and all types (classic, muscle, creative, and more!) are welcome. Car enthusiasts are invited to walk around downtown to experience the sights and sounds of revving engines!

Entries must pre-register online
by going to: tinyurl.com/shbacarshow

Virtually Festive Sugar Rush

The Sugar Rush 2020 fall festival will be a virtual event so that it can safely be enjoyed by all. We know this means it will look very different from years past and ask for your continued patience and support while we work to bring you the best event possible. Our priority is public safety while supporting our local artists who attend the show yearly to display and sell their works. Please stay tuned for other smaller in-person events in the month of October to celebrate the arts in Sugar Hill! Updates will be posted on our city webpage as well as social media, including details about our online live Sugar Rush marketplace.

SHOP Sugar Hill

New Downtown Residents

We are elated to officially introduce the city to our four new downtown ducks: Sugar, Shine, Walter, and Gracie. Sugar, Shine, and Walter are all Pekin White ducks. Gracie is a Welsh Harlequin duck and is darker in color with a black beak. The waddling squad have established their home at the pond in the E Center located behind The Bowl. We invite you and your family to take a stroll to the pond to warmly greet our new residents! Duck feed is available for sale at Customer Service located in City Hall as well as Customer Service in the E Center gym for a small fee. We do ask that you respect the ducks in their natural habitat and feed them only the approved duck feed. As a reminder, fishing in the pond is prohibited and dogs are always required to be on leash.

Rubber Duck Fundraiser

The City of Sugar Hill is excited to announce a fundraiser for the Parker Killian Gives Moore Scholarship with the Gwinnett Tech Foundation. You can learn about Parker at www.parkerkillianmoore.com and the Gwinnett Tech Foundation at gwinnetttech.edu/foundation.

In honor of our new downtown ducks and in the support of this scholarship, adorable rubber ducks are available for just \$3 at www.shopsugarhillga.com. Every purchase is matched with an additional \$1 donation from our partners at Quantum Bank. Donations can also be made online. Every penny will be presented to the Gwinnett Tech Foundation for the Parker Killian Gives Moore Scholarship, which will be awarded to a Veterinary Technician student in the spring of 2021.

United States[®] Census 2020

The Sugar Hill Census self-response rate continues to be among the top 10 highest in Georgia, keep up the great work! The Census Bureau recently adjusted the self-response date to September 30th 2020. For those that have not filled out their self-response census online or in-person, the non-response (door-to-door) follow ups began on August 11th, 2020. To fill out your census online go to www.my2020census.gov.

Ready to Dig?

We'll help you do it safely! Call 811 at least a few days before you start any digging project. Whether you are planning to do it yourself or hire a professional, smart digging means calling 811 before each job.

The Players Guild @ Sugar Hill Presents Blithe Spirit

The Players Guild @ Sugar Hill is expected to return to The Eagle Theatre in November with their postponed performance of Blithe Spirit. A smash comedy hit of both London and Broadway stages, the play follows the cantankerous socialite and novelist Charles Condomine. Charles, while gathering materials for his next novel, invites the eccentric medium Madame Acarti to his home. In a séance gone wrong, Madame Acarti leaves Charles to be haunted by his late first wife, Elvira. As the worldly and unworldly personalities clash, Charles' current wife Ruth is accidentally killed and joins Elvira in the after-life to taunt Charles. The two "blithe spirits" haunt the hapless Charles into perpetuity.

Blithe Spirit will be playing at The Eagle Theatre the weekends of November 13th-15th and November 20th-22nd. Get your tickets now online at www.eagleatsugarhill.com/event/blithe-spirit.

Gary Pirkle Park Expansion Project

The Gary Pirkle Park Field Expansion Project began work in August 2020. For the duration of the project the fields and trails on the east side of the park will be closed. All other trails and sections of the park will remain open. The project is expected to be completed in February 2021. We ask that guests of the park are mindful of construction vehicles entering and exiting the construction zone within the park. Progress photos throughout construction can be found on the city's website.
